

HOME BUILDERS ASSOCIATION OF VIRGINIA

ANNUAL SPONSORSHIP PROGRAM 2009

“Designed to Enable Builder and Associate Members of HBAV to Display their Support and Commitment to the Homebuilding Industry in Virginia”

The HBAV Annual Sponsor Program has been created at the request of the HBAV Executive Committee. It will enable active Associate and Builder Members that have expressed an interest in supporting HBAV and its mission to annually budget for their level of Annual Sponsorship, and have clear understanding of the many benefits of each sponsorship level throughout each calendar year.

Each level of Annual Sponsorship (Platinum, Gold, Silver & Bronze) is designed to provide the sponsoring company significant marketing advantages and/or exposure to the nearly 6,000 members of the Home Builders Association of Virginia. While several of the Annual Sponsor benefits are linked to the HBAV Annual Installation of Officers Reception and Gala and the HBAV Annual Convention, sponsorship proceeds extend far beyond those two (2) events, and throughout the year.

A significant percentage of Annual Sponsor proceeds help underwrite the expense of the everyday activities of HBAV, ranging from our ability to effectively represent the home building industry before state lawmakers and state regulators to the retention and expansion of our numerous member services. Your enrollment as an HBAV Annual Sponsor should be considered an investment in your immediate and long-term business climate. Every dollar will be dedicated to protecting and enhancing the home building climate in Virginia.

Thank you for your investment in your business climate and the business climate of the home building industry in Virginia.
