2019 Home Builders Association of Virginia Marketing and Sponsorship Opportunities

The Home Builders Association of Virginia (HBAV) is a 3100-member statewide organization of home builders and firms that provide products and services to the home building industry. HBAV members work together to further the building industry and protect the industry for the benefits of the members as well as the protection of home buyers.

HBAV allows firms the opportunity to market their services to members through sponsorships of HBAV programs. This tremendous support allows HBAV to provide greater advocacy, additional educational opportunities, and improved business networking events for our members.

Available sponsorships include:

Become an HBAV Keystone Member

A Keystone is defined by a central stone at the summit of an arch, locking the whole together or the central principle on which all else depends. Keystone members invest in a year-long partnership program and are given the opportunity to have their company associated with all HBAV events and activities. From exclusive recognition at board meetings to featured status on the HBAV website, our business partners increase their brand awareness among our members.
