

2021 Membership Application

The New River Valley Home Builders Association, Inc. (NRVHBA) is a professional trade association dedicated to being the respected voice of the residential & commercial building industry in southwest Virginia.

Chartered in May of 1976 as a not-for-profit 501(c)6 corporation, we are affiliated with the National Association of Home Builders (NAHB) and the Home Builders Association of Virginia (HBAV). We believe strength is in numbers. We are one of over 700 HBAs in the United States and within Virginia we are one of 14. When you join at a local level, you get access to state and national resources. Our Association is governed by a board of directors and an executive committee representative of our region's builder and associate membership.

The mission of the NRVHBA is to represent the interests of residential & commercial builders, developers, and remodelers, as well as suppliers, subcontractors, and related service providers. In serving our members, we strive to create an environment of free enterprise where regulations can be kept at a minimum and products and services can be produced at optimum value. This is accomplished through the following services and activities:

1. Lobbying Efforts
2. Liaison with Local Government
3. Member and Consumer Education
4. Industry Promotion
5. Charitable and Community Involvement
6. Communicating Industry Information
7. Enhancement of a Positive, Professional Member Image
8. Networking Opportunities of a Professional and Social Nature

We believe that home ownership should be within the reach of all Americans and that by delivering the above services, we support that aspiration.

Your support of the NRVHBA is essential to the work we do. Please consider the enclosed information about our association and contact us with any questions.

We look forward to welcoming you into the NRVHBA.

Sincerely,

The NRVHBA Board of Directors and Staff
