SOMETHING TO CONSIDER

You work hard on your projects, let the judges see your hard work in the best light! Carefully review your entry in comparison to the judging criteria and ask yourself:

Does my project statement tell the story of my entry to someone who doesn't know anything about me or what I do?

STEPS TO ENTER

Carefully review all entry categories and judging criteria before preparing and

submitting your entry form and supporting materials.

Materials for all entries include:

1. Entry Form
2. Payment
3. Digital Files: site plan, floor plan, photos, audio, video, etc.
4. Submit your completed entries online at <https://hbav.com/events/hbav-housing-excellence-awards-celebration/>

Please note that judges only receive your text submission and photos/materials submitted. It is crucial that your submission meets all judging requirements so that your entry can be judged effectively.

** All entries must be submitted electronically. File names should include award name. All materials submitted become the property of HBAV and will not be returned. Entry materials cannot be exchanged or modified after the final submission date.*

**Please ensure all digital files are high quality and in color when possible. All photos should be submitted as JPEG, PNG, or PDF files. Any photos may be used by HBAV for promotional purposes in the event your entry is a winner.*

JUDGING

Each entry will be judged on its own merits by a panel of distinguished individuals selected for professional expertise in the home building industry.

If there is only one entrant in a category, it does not automatically receive recognition. The entry must have an average score of 70% or higher based on the judging criteria and materials received.
